Project 11 needs your help!!

Project 11 is inspired and created in honor of #11, Rick Rypien, former player of the Winnipeg Jets and Manitoba Moose. Project 11 supports our youth from Kindergarten through High School with virtual educational tutorials about Mental Wellness.

Project 11 is an engaging cross-curricular proactive program targeting Manitoba's English Language Arts and Health Education outcomes. Weekly lessons and daily activities have been designed to help support students and teachers in bringing mental health awareness, along with positive coping skills into their lives.
